

We are looking for
Interns (m/f/x) for the German Desk with a focus on Corporate Banking and Customer Relationship Management
at our London office

Starting date/duration

Spring 2025 for 6 to 12 months

Welcome to DZ BANK

Gain practical experience and expand your network in a bank, where you can successfully shape your own future and the future of cooperative banks, both now and after completing your studies. DZ BANK is Germany's second-largest corporate bank, the central institution of the Volksbanken Raiffeisenbanken cooperative financial network, the central institution for around 800 German cooperative banks and has the holding function for companies of the DZ BANK Group. We are a high performing and reliable employer with many development opportunities. We offer a trusting working environment in which your skills are valued. Above all, we work together in a spirit of partnership - because we shape success together, and we would like to do this with you.

What you can expect

The German Desk of DZ BANK AG London branch operates as a competence centre and point of contact for the corporate customers of the cooperative banks as well as for the British subsidiaries of German medium-sized enterprises. The range of services offers bilingual advice with local and German market know-how on the topics of market entry, financing and payment transactions. The German Desk provides personal on-site corporate customer support for German subsidiaries - in close cooperation with the relationship managers of the Volksbanken Raiffeisenbanken and DZ BANK AG in Germany.

The internship is intended to strengthen the idea of the Verbund as well as the internal exchange of perspectives and working methods between the Volksbanken Raiffeisenbanken and DZ BANK AG. In addition to developing English language skills, the internship also serves to enhance subject-specific knowledge in the context of corporate banking and customer relationship management. Your concrete tasks are:

- supporting the processing of daily incoming/outgoing payments
- planning of customer activities: preparation of visits, presentations, customer calls
- support for new clients: helping with the onboarding process, KYC Screenings and checking of the onboarding documents
- support for existing customers: account opening, online banking, credit cards, guarantees, time deposits, loans, answering inquiries
- cooperation with the Compliance Department (Anti-Money Laundering and Know-Your-Customer Process), the Loan Administration and the Operations Department (settlement of payment transactions)
- market research activities in relation to the UK market
- developing good work relationships with other departments in the bank
- supporting special tasks/projects

Requirements

- minimum 2nd year/4th semester university student in business administration or finance or holding a bachelor's degree and currently enrolled for a master's course
- preferably finished an apprenticeship in banking with prior experience in corporate banking with a Volksbank Raiffeisenbank or a similar internship
- German (native or fluent) and good English (written/verbal)
- team player and able to work in a multinational environment

What we offer

- Fair working and development conditions during your internship
- Regular monitoring from experienced manager and team
- On-the-job exposure
